CONFIRMATION OF PARTICIPATION

André Kleinschmidt

has participated in the internal live online training
"Train-the-Online-Trainer" (4 hours)
in January 2021
and has successfully developed the skills in the area of
"Designing Remote Teaching".

Content:

- Didactic conception and structure of blended learning / remote teaching
- Didactic conception and structure of live online seminars
- Methods for designing and implementing digital exercises using digital collaboration tools for use in live online seminars (e.g. Zoom, Padlet, Mural, etherpad)
- Reflection on the use of digital tools in the design of blended learning and live online seminars.
- Reflection and development of ideas for creating a sense of "we" in online classes.
